## PRESS RELEASE

### FOR IMMEDIATE RELEASE

#### Fiscal Systems Wins IBM Retail Sales Solutions Excellence Award

**MADISON, Alabama, July 29, 2010-** Fiscal Systems today announced that it has received a 2009 IBM Retail Sales Solutions (RSS) Sales Leadership Achievement Award. This award recognizes Business Partners who have demonstrated superior leadership in the delivery of IBM retail technologies as well as the knowledge and capability to successfully meet client expectations. Fiscal was honored at the 2010 Retail Store Solutions Business Partner Forum meeting in San Antonio, TX.

“This award is a key accomplishment within the industry and we are honored to be recognized with this reward,” said Kevin Struthers, Executive Vice-President for Fiscal Systems. Selected from over 200 eligible IBM RSS North American Value Added Resellers, Fiscal is among the top-achieving business partners for IBM RSS. The company has made significant contributions in revenue achievement and its commitment to actively promote the IBM brand in their marketing efforts and demand generation campaigns.

“The superior solution offerings from IBM, coupled with our niche software products, provides our customers with a single source solution specifically designed to meet our client’s point of sale and back office needs, enabling us to be a true strategic partners to our customers,” said Struthers. The solution is PA-DSS validated by Trustwave and delivered on the IBM platform to a large number of C-Store and Truck Stop retailers that cannot compromise on security and compliance.

For more information about Fiscal products or service for the Truck Stop or C-Store market, contact our Sales Department at 1-800-838-4549 or [Sales@fis-cal.com](mailto:Sales@fis-cal.com). Additional information is available on our website at: [www.fis-cal.com](http://www.fis-cal.com)

#### About Fiscal Systems

Fiscal Systems offers a strategic approach to linking Fuel Control to C-Store systems, ensuring your profit centers operate securely, accurately, and conveniently. Fiscal makes it all work together, delivering direct and seamless connections via a scalable, robust base system making it easy and affordable to add additional features later without spending a fortune. Fiscal Systems delivers the software on IBM SurePOS™ hardware to provide the lowest cost of ownership and fast, on-site repairs reducing the number of points of contact to ONE- Fiscal Systems.
