

TravStar1[®] Fleetlock Unattended Fueling System

A 24-hour Unattended Fueling Cardlock Solution

Fiscal Systems, provider of POS systems to the nation's largest truck stop chains, introduces the TravStar1[®] Fleetlock Unattended Fueling System. Extend your brand with an extremely durable and flexible 24-hour fuel island.

Extend your Brand

The TravStar1[®] Fleetlock Unattended Fueling System extends your brand where you can market your products and services directly to customers. The OPT provides an environmentally sturdy yet customer friendly platform to deliver payment technologies and marketing promotions to the fuel island.

Extreme Durability and Flexibility

Built on an open architecture and hardware platform, the terminal provides the flexibility to interface with every major brand of fuel dispenser and fleet payment network.

24-hour Unattended Cardlock

Easy to use touchscreen

Color coded touchscreen displays reduce time and errors, building customer loyalty as your drivers quickly and efficiently authorize their transactions getting them back on the road faster.

Real-time Reporting

Real time transaction reporting and reconciliation for your single or multi-site locations has never been easier than with the TravStar1[®] Fleetlock Unattended Fueling System Web Portal.

Web-based Operation

Using the web-based platform, the Marketers Tool allows users to log on and view transaction data from anywhere across the U.S.
